

Construction Quality Control Manager:

KUNJ Construction Corp is always seeking for highly skilled and detail-oriented Construction Quality Control Managers to join our dynamic team. As one of the leading construction management firms, we are committed to delivering projects of exceptional quality and exceeding our clients' expectations. The Construction Quality Control Manager will play a crucial role in ensuring that projects adhere to the highest quality standards throughout all construction phases.

Responsibilities:

- Develop and implement comprehensive quality control plans for each project.
- Conduct inspections and audits to monitor compliance with quality standards and regulations.
- Identify potential quality issues and collaborate with project teams to implement corrective actions.
- Review and approve construction materials, ensuring they meet quality specifications.
- Work closely with contractors, subcontractors, and suppliers to maintain quality consistency.
- Monitor and document construction activities to track quality performance.
- Provide clear and constructive feedback to improve workmanship and construction processes.
- Collaborate with project managers to address quality-related concerns and provide status updates.
- Maintain records of quality control activities, test results, and inspections.
- Conduct regular training sessions on quality standards and best practices.

Requirements:

- Proven experience as a Construction Quality Control Manager in the construction industry on DOD projects
- In-depth knowledge of construction quality standards, codes, and regulations.
- Strong attention to detail and analytical skills.
- Excellent communication and interpersonal abilities.
- Ability to work independently and collaboratively in a team environment.
- Proficiency in using quality control tools and software.
- Relevant certifications in quality control required
- Experience in using RMS and/or ECMS are preferred

We are proud to offer following benefits:

- Competitive Salary
- Medical And Dental Coverage
- 401k with Employer Match
- Group Life Insurance
- Profit Sharing
- Bonus Program
- Long Term Disability Benefits
- Vacation And Holidays

If you are a results-driven individual with a passion for maintaining the highest quality standards in construction projects, join a team committed to professionalism, integrity, and innovation.
