

Project Engineer:

KUNJ Construction Corp is always seeking for a highly skilled and motivated Project Engineer to join our dynamic team. As a leading construction management firm, we are committed to delivering excellence in every project we undertake. The Project Engineer will play a pivotal role in assisting with the planning, coordination, and execution of various construction projects.

Responsibilities:

- Collaborate with the project management team to develop detailed project plans and timelines.
- Assist in the procurement of materials, equipment, and services required for the project.
- Monitor project progress and ensure adherence to schedules and budgets.
- Review engineering designs, drawings, and specifications for accuracy and compliance.
- Coordinate with contractors, subcontractors, and suppliers to ensure smooth project execution.
- Conduct site inspections to assess construction progress and quality of work.
- Assist in resolving technical issues and implementing effective solutions.
- Prepare and submit project documentation, reports, and change orders as necessary.
- Monitor compliance with safety standards, building codes, and regulations.
- Support project close-out activities, including punch lists and final inspections.

Requirements:

- Bachelor's degree in Civil Engineering, Construction Management, or a related field.
- Proven experience as a Project Engineer in the construction industry.
- Proficiency in using project management software and tools.
- Solid understanding of construction processes, techniques, and best practices.
- Excellent communication and teamwork skills.
- Strong problem-solving and decision-making abilities.
- Ability to work under pressure and meet project deadlines.
- Knowledge of safety regulations and building codes is preferred.

We are proud to offer following benefits:

- Competitive Salary
- Medical And Dental Coverage
- 401k with Employer Match
- Group Life Insurance
- Profit Sharing
- Bonus Program
- Long Term Disability Benefits
- Vacation And Holidays

If you are a detail-oriented and results-driven individual with a passion for delivering high-quality construction projects, join our team and contribute to the successful execution of projects that exceed client expectation. To apply, submit your resume, cover letter, and certifications to info@kunjcc.com or click on **APPLY NOW** under job listings to fill out the application form. Please feel free to contact us with your queries. Shortlisted candidates will be contacted for further discussions and interview.

KUNJ Construction Corp is an equal opportunity employer committed to diversity and inclusion within the workplace. We encourage all qualified candidates to apply. All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, national origin, disability, or veteran status.
