

Site Safety & Health Officer:

KUNJ Construction Corp is always seeking for highly qualified and dedicated Site Safety & Health Officer to join our dynamic team. As one of the leading construction management firms, safety is our top priority, and we are committed to providing a safe and secure environment for all construction personnel and stakeholders. The Site Safety & Health Officer will play a vital role in ensuring the implementation and adherence to rigorous safety standards on our construction sites.

Responsibilities:

- Develop and implement comprehensive safety and health programs for construction projects.
- Conduct regular safety inspections and audits to identify potential hazards and risks.
- Collaborate with project teams to develop and enforce safety protocols and guidelines.
- Provide on-site safety training to construction personnel, ensuring compliance with safety procedures.
- Investigate incidents and accidents, and report findings to management.
- Monitor and enforce the use of personal protective equipment (PPE) on construction sites.
- Stay updated with relevant safety regulations and industry best practices.
- Maintain records of safety training, inspections, and incident reports.
- Communicate safety guidelines and updates effectively to all stakeholders.
- Implement emergency response plans and procedures to address potential crises.

Requirements:

- Proven experience as a Site Safety & Health Officer in the construction industry on DOD projects.
- Minimum 5 years of experience as an SSHO on previous projects
- Thorough knowledge of safety regulations, codes, and standards (OSHA, ANSI, etc.).
- Strong communication and leadership skills.
- Ability to identify and mitigate potential safety risks.
- Experience in conducting safety training and presentations.
- Proficiency in using safety management software and tools.
- Relevant safety certifications are a plus (e.g., OSHA 30-Hour, First Aid/CPR, EM 385 etc.).

We are proud to offer following benefits:

- Competitive Salary
- Medical And Dental Coverage
- 401k with Employer Match
- Group Life Insurance
- Profit Sharing
- Bonus Program
- Long Term Disability Benefits
- Vacation And Holidays

If you are a dedicated safety professional with a passion for ensuring the well-being of construction personnel and creating a secure work environment, join our team and contribute to building projects with an unwavering commitment to safety. To apply, submit your resume, cover letter, and certifications to info@kunjcc.com or click on **APPLY NOW** under job listings to fill out the application form. Please feel free to contact us with your queries. Shortlisted candidates will be contacted for further discussions and interview.

KUNJ Construction Corp is an equal opportunity employer committed to diversity and inclusion within the workplace. We encourage all qualified candidates to apply. All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, national origin, disability, or veteran status.
